

# My First LaTeX document

Asif Shahriar\*

May, 2023

First document. This is a simple example, with no extra parameters or packages included. We have now added a title, author and date to our first LaTeX document!

Some of the **greatest** discoveries in science were made my ***accident***.

Some of the greatest *discoveries* in science were made by accident.

*Some of the greatest discoveries in science were made by accident.*

**Some of the greatest *discoveries* in science were made by accident.**

The universe is immense and it seems to be homogeneous, on a large scale, everywhere we look.

Figure 1: A picture of universe

As you can see in figure1, the function grows near the origin. This example is on page1.
